ABOUT

Access Ohio Mental Health Center of Excellence is a behavioral health organization dedicated to assuring the highest quality of comprehensive and results-based mental health, chemical dependency and wellness services in Columbus since 2006. Access Ohio is owned and operated by Dr. John Johnson, CEO. Dr. Johnson continues to see clients within the Access Ohio network of care up to 3 days per week. Operating as a business enables Dr. Johnson to directly reinvest in expanding services that help fill existing service gaps and create new job opportunities. "My goal is to identify a need, fill the need and create something of lasting value for the community."

Access Ohio provides personalized inpatient, residential and outpatient/community-based behavioral health services to adults, adolescents, children and families who are poor and/or living in poverty in Columbus, Central and Southern Ohio, and neighboring states. Committed to continuous quality improvement of our services and professionalism of our staff, Access Ohio is focused on quality, innovation, teamwork and research that uphold the dignity and worth of every human life. Access Ohio has multiple sites located on bus lines throughout communities to promote accessibility for those we serve. In addition we offer early morning, evening and Saturday hours at some of our locations.

MISSION STATEMENT

Access Ohio Mental Health Center of Excellence is a high quality comprehensive behavioral healthcare provider delivering culturally-responsive, results-based mental health and addiction services grounded in evidence-based, best and promising practices. We believe in services that uphold dignity, demonstrate respect and honor the worth of every human life, facilitate wellness and empower individuals to succeed, recover and contribute to their communities in meaningful ways.
